### Message/Directions

- Please review your classes options carefully. Sign and date all forms.
- All students will meet with their guidance counselor to review your subject selections.
- Share this information with your parents and include them in the decision-making process.
- Print clearly to avoid errors and complete the entire form.
- Include a valid phone number we can call if we have any questions.
- Choose your electives in priority order. It is important that you fill in all the requests. If you do not choose at least 8 electives, ATM reserves the right to place you in an elective class of its choice.
- Do your best in all your classes, as your final grades will be used to determine your placement. Summative test scores will also be considered during the decision-making process. Students who score a Level 1 or 2 on the FAST Reading (or did not take the test) will be placed in Intensive Reading in addition to their English class, and all ESOL students will need to be in Developmental Language Arts, in addition to their ESOL English class.
- **\*\*For ALL AP and Dual Enrollment courses, you must complete the AP/Dual Information Sheet.**

**Subject Selection Forms are due when you meet with your counselor starting on February 5, 2026. Students who do not complete and turn in a form will have their classes chosen for them.**

Elective Offerings 2026-2027**

Please choose 8 electives in priority order by ranking 1-8; 1 being your first choice. ATM will make every effort to honor your electives in priority order. However, due to the availability of classes and the final development of the school's master schedule, you may be placed in ANY of the courses you have selected. It is important that you choose your classes wisely and complete this form carefully. Students will remain in the courses they have chosen for the entire school year. If you do NOT choose an elective, your counselor will choose for you. Check the ATM Curriculum Guide for course requirements.
